Sacred Heart Higher Secondary School

2019 - 2023

82%

BACHELOR OF ENGINEERING

Government College of Engineering, Bargur.

2019 - 2023

85%

PROFILE

As an enthusiastic and aspiring web developer, my primary objective is to secure a challenging position where I can leverage my education, skills, and passion for web development to contribute to innovative projects and grow professionally in the dynamic world of web technology.

EXPERIENCE

PROJECTS :

Ecommerce Website Using React js

- Designed and developed a modern Ecommerce website using React.js
- Implemented a visually appealing and consistent user interface using Tailwind CSS, a utility-first CSS framework
- Successfully integrated and configured essential React packages, such as react-router for seamless navigation, axios for efficient data fetching from APIs.

Portfolio Using React js

- Built a dynamic portfolio website using React.js for a modern and interactive user experience.
- Designed and styled the portfolio using Tailwind CSS for a visually appealing and responsive UI/UX.
- Leveraged React packages for enhanced functionality, including routing, form handling, and data management.
